17 Battery Place,

New York.

July 5th, 1935.

LLOYD'S REGISTER  
RECEIVED  
12 JUL 1935  
ASSG.  
LONDON

Dear Sir:-

With reference to New York Report No. 36116 relating to the classification survey I held on the Motor Yacht "CAROLITA" ex "RIPPLE", I think I should remind you that this vessel was surveyed by the Surveyors at Hamburg, while under construction, for the purpose of granting a certificate to the effect that her construction, trial and delivery were performed in full accord with the plans and specifications.

You will note that the yacht has been recommended for class 100A1 but in view of the above circumstances, I beg to inquire whether she could not receive the class \*100A1. I think this would please the owner.

I am, Dear Sir,

Yours faithfully,

*John S. Heck*

For Chief Surveyor,  
U.S.A. & Canada.

The Secretary,

LONDON.
