Dear Mr. Dykes,

I am favoured with your letter of the
22nd instant regarding the yacht ^{being} built at Kiel for Cox
& Stevens of New York.

Your letter crossed with one which Mr. Scott
addressed to you on the same date - 22nd instant - which
explained fully the views of the Committee as regards the
survey desired by Mr. Daniel Cox.

I have no doubt it has by this time
reached your hands, and you will therefore know exactly
what to do, and will let us know in due course the decision
come to by **Mr. Cox** in the matter.

With kindest regards, and trusting that Mrs.
Dykes continues to make some progress,

Yours sincerely,

Geo. Dykes, Esq.,
HAMBURG.
