Secretary.

Enclosure.

22nd May, 1923.

Dear Mr. Cox,

I think it well to send herewith a copy of a letter which I have this day addressed to Mr. George Dykes, the Society's Principal Surveyor at Hamburg, regarding the motor yacht being built by Messrs. Fried. Krupp A.G., Germania Werft, Kiel, to the design of your goodself, and I hope that you will be satisfied with the arrangements which the Society has made in this matter, as explained in the accompanying copy of my letter.

If you are coming to England before returning to the States, I hope you will give us the pleasure of a call here, as we shall be very pleased to see you.

With kindest regards,

Yours sincerely,

Daniel H. Cox, Esq.,

Hotel Continental,

KIEL.
