Dear Mr Scott,

re Motor Yacht building for Mr Daniel H. Cox
by Fried. Krupp, A.G. Germania Werft, Kiel.

As promised in my letter to you of the 23rd instant I have to inform you that from the result of yesterday's inspection at Kiel, the following is the stages of progress on her at present date:-

Hull framed, bulkheads fitted and about half plated.

Motorengines in the stage of erecting and preparing,

As to the time still required to complete her will no doubt depend on her internal fitting out, as one has no knowledge at present how far this is advanced but taking everything into consideration the date of her delivery may vary from two to three months from present date if not earlier,

Yours faithfully

A. Scott Esq.
