Reference

Dear Mr Scott,

ANS^D 26

I am in receipt of your letter of the 20th instant respecting the Motor Yacht building by Messrs Fried. Krupp A.G. Germania Werft Kiel for Mr Daniel H. Fox, of Messrs Cox & Stevens, New York, for which the plans and specifications have also come to hand, and with regard thereto as far as we are aware the Hull and the motors are at present in the preliminary stages of construction but I shall be in a position to inform you more fully on Wednesday next.

Needless to say that your instructions will be fully complied with, I take it that the Fees given in your letter are also to cover travelling expenses. There is also a similar building for American Owners by Messrs Frerichs Einwarden can the New-York Office not also be of help in this case.

Yours faithfully

C. W. Dykes
