71, Fenchurch Street, E.C.3.

24th February, 1939.

Dear Sirs,

S(Y).

I have to acknowledge the receipt of your letter of the 22nd instant relative to the Steel Screw Schooner Yacht "MEDUSA", and have placed the same before the Committee at their meeting today.

The Committee note that this vessel is laid up at your port and that the Engineer in charge has been advised that the Boiler and Screwshaft Surveys should be carried out before the yacht is again placed in commission, and, in the circumstances, they have agreed to the inspections in question being postponed for the present. I shall be glad if you will inform the Owner's representative accordingly.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
SOUTHAMPTON.

Clerk to the  
Classification Committee.
