Port of Registry Southampton

Survey Due Boiler Survey becomes due 2, 39.

(Screwshaft Survey becomes due 4, 39)

This vessel appeared on the Southampton Surveyors' weekly return of vessels under survey dated the 15th July last, and subsequent quarterly returns, as being under survey for damage.

In reply to enquiry regarding the Boiler Survey and Screwshaft Survey, the Southampton Surveyors write that the vessel is still laid up at their port and is understood to be for sale.

The Surveyors add that the Engineer in charge has been informed regarding the above surveys and advised that they should be held before the vessel is again commissioned.

Submitted action be deferred.
