Received from Chief Ship Surveyor

SEL'S NAME "ATLANTIS". Rpt. Sou. No. 17564.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

The Southampton Surveyors report this steel yacht placed on a slipway, bottom coated and an internal examination made as far as practicable with satisfactory results.

The yacht has been requisitioned by the Admiralty.

It is submitted the vessel appears worthy to remain as classed with record of survey 11,39.
