

TRANSLATION.

In reply to your favour of the 27th ultimo I beg to inform you that for the present I am not carrying out the surveys for the classification of my yacht "ELENI". I am not leaving for Genoa but in a month or two I am going towards Marseilles where she is entering dry dock for cleaning purposes. At that Port I will advise one of your Surveyors to come and complete the survey. I avail myself of this opportunity to inform you that Capt. Notaras is no longer a member of my crew.
