LONDON E.C.3.

Dear Sirs,

S.Y. "MARION"

Further to our letter to you of the 18th Sept. and your reply of the 19th, as this Yacht was not commissioned during this year and is merely laid up for sale, moored to piers in the Harbour, and all precautions having been taken to preserve this vessel in a sea-worthy condition, including the boiler being opened up and a combustion stove kept going to prevent sweating, is there any necessity for the survey which you denote as we believe that when a Yacht is laid up in this one is, the necessity does not arise and we, naturally, the Executors do not wish to incur unnecessary expense.

Yours faithfully,  
for the Executors of Sir W.T. Dupree, Bart., deceased.
