

Capt. C.E.L. Rumbold, (Temporary address: Greyfriars Hall  
32 Pembridge Street, W) owner of the Yacht "LILY MAID IV" called  
to-day and stated that he had arranged with the London Office of  
Messrs. Norris, Henty & Gardner of Patricroft for an engine to be  
built by that Firm for this yacht.

Capt. Rumbold stated he had just come from Paris and that  
Mr. L.G. Demarest was anxious to learn, as soon as possible, when  
definite arrangements have been made for an engine to be  
supplied for this yacht.

Capt. Rumbold also suggested that we might telephone to  
Messrs. Norris Henty & Gardner's London Office in regard to  
particulars of the engine being submitted for consideration.
