

Yacht "LILY MAID IV".  
-----

IT IS SUBMITTED to the Manchester Surveyors  
be informed it is noted Messrs. L. Gardner & Sons, Ltd.  
decided to specify Hans Renold Chain No. 7105 for the  
reverse gear, after having received a graph from the chain  
makers showing it to be suitable for transmitting 70 B.H.P.,  
when the driven wheel is running at 600 R.P.M., and this  
is in order.

Return plan of Reverse gear.
