**COPY OF ORDER.**

**656/21.**  
-----

The Parsons Oil Engine Co., Ltd.  
Town Quay Works,  
Southampton.

4th June, 1934.

K1/45366.  
45367.

### PRELIMINARY ORDER ONLY.

656/21.

One set "Parsons" Reverse-Reduction Gear for direct  
Couplings to our engine. Speed reduction ratio  
2.44/1 - 1120/460 r.p.m.

Direction of rotation of engine crankshaft anti-  
clockwise looking aft.

ALL TO BE TO LLOYDS SURVEY.

We are to make the patterns and castings for the  
reverse gear to your requirements. You to carry  
out machining and fitting up. You to supply the  
driving bevel for reverse gear for us to fit on  
the end of our Crankshaft.

Reverse gear control to be suitable for coupling  
up to existing control operating gear on the  
Yacht and the whole to be strictly in accordance  
with the correspondence that has passed between  
us.

Final order will be sent as soon as outstanding  
points have been cleared up.

Delivery required:- To these Works, early in August.

For: W. H. ALLEN SONS & COMPANY LIMITED.  
(Sgd.) C. Lewington.
