Dear Sir,

I have forwarded to-day under separate cover for the consideration of the Committee plans N<sup>o</sup> 615831 and 374788-1 in triplicate, showing the crank and fly wheel shafts and Thrust shafts respectively, proposed by Messrs. Sulzer Bros. for their main Diesel Engines N<sup>o</sup> 5788 & 5794, Type G 834, to be installed by Messrs. Camper Nicholson in the M. Y. Narcissus.

Kindly return two of each of the plans with your approval at your convenience.

I am, Dear Sir,

Yours faithfully,  
W.S. Vallis.

A. Scott Esq.,  
Secretary,  
London.
