CHEPSTOW.

8th Feby 1927

Dear Sir

I write to thank  
you for your kindness  
in allowing your surveyor  
Commander Knox to assist  
us with his counsel & advice  
in connection with the Steam  
Yacht "Narcissus" at Piraeus  
His directions as to what  
I should require in the way  
of tests before purchase  
proved most valuable.

I succeeded in obtaining  
a basin test of machinery

under steam with  
satisfactory results which  
resulted in my purchasing  
the vessel. I have this  
morning received a telegram  
from "Piraeus" that "Narcissus"  
sailed yesterday at noon  
due Gibraltar Sunday  
steaming well.

My son-in-law Major J. M.  
Whittall went with me to  
Piraeus & to him I owe  
much for his assistance  
in the somewhat difficult  
negotiations the necessary  
tests involved prior to  
purchase. Again thanking  
you for your valuable cooperation  
I am Dear Sir

Yours sincerely  
E. Oswald Reade
