Feb. 9th 1924

Dear Mr. Morrison,

Your letter of the 7th to
Mr. Stoddart he has handed to me to
reply to.

I examined & tested the 3 stage
motor driven air compressor made
by Pater Brotherhood & intended for
the Furness P.B. Co. No. 46 Mallet. on
Sept. 14th - it is numbered 23155. (1)

I made out a certificate which was
sent to Brotherhood's who paid the fees
and a copy is retained here. In future
perhaps we had better make two copies
of these certificates -

I expect that Brotherhood's will send
the Furness P.B. Co. the original certificate
With kind regards

Yours sincerely,
Wm Morrison Esq.

Yours sincerely,
J. T. Cornish
