No.

17407

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

The Southampton Surveyors report this steel yacht placed in dry dock, bottom cleaned and coated, the mizzen mast renewed, the foremast cut at heel and shortened the rigging being altered to suit.

Some minor repairs effected.

It is submitted the vessel appears worthy to remain as classed with record of survey 5,39.
