22nd July, 1937.

Dear Sirs,

E.

I duly received your letter of the 19th instant enclosing plans of the switchboards proposed for Messrs. John I. Thornycroft & Co's Yard No.1172, and have to acquaint you that these plans do not indicate any control apparatus for the 2 KW generator shown on the wiring diagram previously submitted.

I shall therefore be glad if you will furnish me with particulars as to

- (a). the purpose this generator is to serve,
- (b). whether it will be run in parallel with the main generator, and
- (c). whether the D.P.circuit breaker, shown on the wiring diagram, will not be mounted on the main switchboard.

The plans are being retained in the meantime.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
SOUTHAMPTON.
