27th February, 1939.

Dear Sirs,

With reference to the Boiler Survey which became due on the Steam Yacht "SURF" in July last, I beg to acquaint you that notices in regard to this inspection were forwarded to you on the 7th November and 13th December last, but I do not appear to have been favoured with a reply to either of these communications.

In the circumstances, I shall be obliged if you will kindly let me know, at your earliest convenience, what arrangements you propose making to carry out this inspection, as the case must otherwise be submitted to the Committee for their consideration.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
