Yacht "RHODORA".

Southampton S.R. Report No. 13625

23rd July, 1929.

The Southampton Surveyors report that this vessel has been completed with the exception of the testing under working conditions of the steering gear, pump, capstan and winches, SOUTHAMPTON.

the main and auxiliary engines and the observation of any compass

13614, 16, 18, 20% also As recommended.

13625 "RHODORA". Surveyors Classed 2100A1 in the Yacht Register

with notations of Lloyd's A & CP, IMC 7, 29, Oil Eng., and CL.

I have to acknowledge the receipt of your letter of the 19th inst.

instant and with regard thereto I have to say that clean Certificates

are being prepared, and will be forwarded to-morrow. They can be

handed over on the satisfactory completion of your survey and the

payment of the fees, the Committee having classed the vessel on

this assumption. I may add that should the survey, for any reason,

not be completed this month, you should return the certificates to

this Office when arrangements could be made to issue fresh ones

with a later date of survey. to the Southampton Surveyors for

issue on completion.

I have to add that in reply to a cabled enquiry of the Winterthur Surveyor it is stated that Messrs. Sulzer Bros. have

no objection to the certificate being handed to the Builders. and

arrangements could then be made to issue fresh certificate with a

later date of survey.
