

Schooner.  
Number of Masts Two.

Yacht "RHODORA". Southampton F.E. Report No. 13625

----

The Southampton Surveyors report that this vessel has been completed with the exception of "the testing under working conditions of the steering gear, pumps, capstan and windlass, the main and auxiliary engines and the observation of any compass deviation due to electric currents".

The Surveyors ask that certificates be forwarded to them for issue on the satisfactory completion of the survey, which it is intended should take place on the 26th of this month, and on payment of the fees.

IT IS SUBMITTED that this vessel will be eligible for the record \* LMC 7,29 when the survey has been completed as above.

It is further submitted that clean certificates with record of \* LMC 7,29 C.L.  
Oil Engines 2 SCSEA each 60hp  
12 cyl 13 3/8" - 21 1/4" N.H.P. 375.  
be prepared and forwarded to the Southampton Surveyors for issue on completion of the survey and on payment of the fees. Should the survey for any reason not be completed this month, the Surveyors might return the certificates to this Office and arrangements could then be made to issue fresh certificate with a later date of survey.
