Secretary,

LONDON.

Sir,

With reference to your letter of the 22nd. May, enclosing  
Winterthur Report No.96, Sulzer Engines 6033 & 6039, now fitting  
Messrs. Camper & Nicholsons, Ltd., No.363, we note that Messrs.  
Bros., are note responsible for the installing fees.

Referring, however, to Winterthur Report, it is noted that  
all fee, viz: £81.5.0. and 1st. Entry fee of £5.0.0. has been  
paid and received. We should be glad to know whether 1/5 of  
the same should be charged to Messrs. Camper & Nicholsons, Ltd., or  
if this amount will be credited to us.

It is also noted that in this case and other Sulzer Engines,  
Winterthur Surveyors charge a 1st. Entry fee, which in the case  
of other engines is not chargeable.

The N.H.P. of these engines is 375.

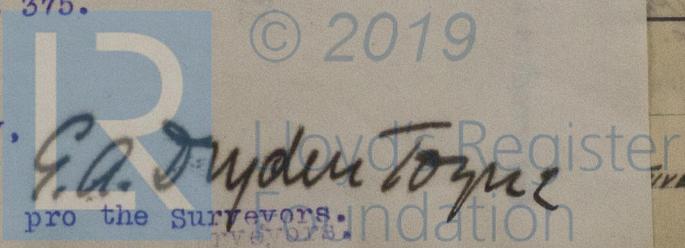

We are, Dear Sir,

Yours faithfully,

*G.A. Dyden Toyn*  
pro the Surveyors.
