11, ST MARY AT HILL,

LONDON, E.C.3.

Clerk to the Classification Committee,  
Lloyd's Register of Shipping,  
High Close,  
WOKINGHAM, Berks.

19th July, 1956.

Dear Sir,

We have now "SWANSEA CASTLE" and "DALE CASTLE" returned by the Admiralty.

These vessels were classed by you in 1939 and we shall be glad if you will put them into class again.

Incidentally we are compelled to change their names by agreement with people from whom we bought them, and, subject to permission from the Ministry of Shipping & Seamen, "SWANSEA CASTLE" will be named "BARKING" and "DALE CASTLE" will be named "DROITWICH".

Our Association Company, The Hewett Fishing Co. Ltd., has already notified you that the "AMROTH CASTLE" will be named the "BRIDESMAID" and in this case permission has been granted subject to two weeks delay whilst the advertisement is put in the press.

Yours faithfully,  
HEWARD TRAWLERS, LIMITED.
