Dear Sir,

S.T. "DALE CASTLE"

We have your letter of the 14th inst. with reference to the "Dale Castle" and would confirm that this vessel has been released from Government service and we shall be obliged, therefore, if you will instruct your Society's Surveyor to carry out the survey necessary for class maintenance. This vessel is being reconditioned at Liverpool.

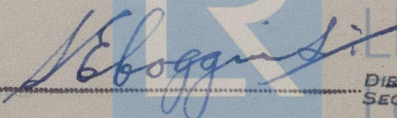

Our "SWANSEA CASTLE" has also been released and she too is being reconditioned in Liverpool. We shall be glad if you will treat her in the same manner.

Yours faithfully,

FOR AND ON BEHALF OF

HEWARD TRAWLERS LIMITED.
