Dear Sir,

s.s. "WILLODALE".

We are in receipt of your letter of the 9th instant with regard to the enquiry into the loss of the above ship. You will have now received a letter from Mr. McCallum of the 14th instant in this connection, and it will be noted that a part of the examination was done by another Surveyor, Mr. Ronald. In addition, one visit was paid by Mr. T.E. Sowden to make recommendations in respect of a side shell and a poop deck plate. These visits are entered in the journals of these Surveyors but as their signatures do not appear on the Report I have thought it advisable to inform you of the position.

Yours faithfully,

E.R. Edgar
