

M.V. "AMENITY"

---

Plan of amended engine seating submitted by the Owners,  
Messrs. F.T. Everard & Sons Ltd.

---

The arrangements embodied on this plan have been discussed with the Owner today. It was pointed out that as proposed, the design had certain objectionable features, and Mr. Everard agreed to the modifications suggested which have been indicated on the plan.

It is submitted the Owners be informed that the scantlings and arrangements as shewn and amended are such as could be approved, provided they be carried out to the Surveyors' satisfaction.

The Owners should be requested to return the plan after noting, and it should be stated where the alterations are to be carried out, in order that the Surveyors may be advised and the plan sent to them for their guidance.
