19th October, 1936.

Dear Sirs,

I was duly favoured with your letter of the 14th instant, with enclosed plans, respecting your proposal to arrange a canvas swimming bath sunk into the No.5 cargo hatchway in the steamers "AVILA STAR", "ALMEDA STAR" and "ANDALUCIA STAR", and with regard thereto I have the pleasure to inform you that the plan of arrangement of overflow and emptying pipes will be approved, provided the arrangements be as shown thereon and the entire work be carried out to the satisfaction of the Society's Surveyors.

This plan, together with the print of Drawing No.2412, is being retained for the guidance of the Surveyors.

I am, Dear Sirs,

Yours faithfully,

Secretary.
