Dear Sir,

E. I am in receipt of your letter of the 12th instant enclosing one from Messrs. Cammell Laird & Co. Ltd., respecting the alarm gear for the oil fuel settling tanks of the T.S.S. "ALMEDA STAR" and "ANDALUCIA STAR", and have to say it is noted the Owners suggest that the alarm gear should be arranged to operate at 93% full instead of at 95% as originally proposed, and it is considered that this arrangement could be accepted.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.
