ENCLOSURE.

9th February, 1935.

Dear Sir,

E. I am in receipt of your letter of the 7th instant, with enclosures, respecting the s.s. "ALMEDA STAR", and have to acquaint you that the plan showing alterations to main and auxiliary steam pipes in boiler room will be approved for a working pressure of 200 lb. per sq. inch, provided the drainage arrangements be to the Surveyors' satisfaction and the whole of the work be carried out under the usual conditions of survey and testing.

The plans forwarded by you on the 1st instant have been cancelled.

I am, Dear Sir,

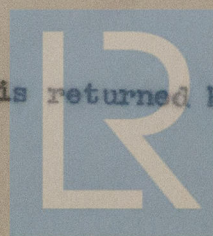

Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.

P.S. The plan now approved is returned herewith.
