

ING ARRANGEMENT Endorsement.

builders: Messrs. **S.S. "ALAMEDA STAR"**
Cammell Laird & Co. Yard No.
 neers: Messrs. Engine No.
 rs: Messrs. **Blue Star Line.**

It is submitted that the plan of showing proposed modifications
 he Pumping Arrangement
 merits approval, provided the arrangements be as
 shown and amended on the plan and the remaining
 requirements of Sections 20 and 34 of the Rules (194-5)
 be complied with so far as they are applicable.

It is noted that some of the existing sounding pipes to the
 insulated holds are now marked 2" diameter, but it should be
 pointed out that as shown on the originally approved plan these
 are 2 1/2" diameter.

It is concluded that when the oil fuel tanks are
 being filled one of the deep tanks between frames ²⁸⁰ 86 & 91
 will be used as an overflow tank and it is desired to know
 whether this deep tank is fitted with an alarm device.
 urn plan.
