Your Ref:-
SEC/SHIP/EMH.

Dear Sirs,

I duly received your letter of the 13th instant enclosing plans, in triplicate, of fore end framing, shell plating forward, and upper forecastle deck plating, in connexion with the proposed lengthening by 50 feet on the water line of the Steamers "ALMEDA STAR" and "ANDALUCIA STAR", and I may say that these plans have been discussed in this Office with your Mr. Sydie, who has decided to withdraw the plan of shell plating forward, and to submit a new plan of this part of the structure.

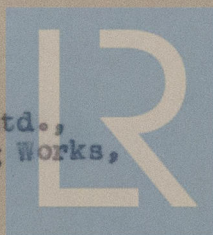

With regard to the remaining plans I have pleasure in stating that provided the arrangements be carried out as shown and amended thereon and to the satisfaction of the Society's Surveyors, the same will be approved.

Two copies of the plans have been handed to Mr. Sydie, and the remaining copies are being retained for reference.

I am, Dear Sirs,

Yours faithfully,

Messrs. Cammell Laird & Co. Ltd.,
Shipbuilding & Engineering Works,
BIRKENHEAD.
