

Twin Screw Steamers "AVILA STAR", "ALMEDA STAR" and "ANDALUCIA STAR". Owners:- The Blue Star Line.

Messrs. Swan, Hunter & Wigham Richardson, Ltd. state that the Owners are contemplating extensive alterations to the above vessels. These alterations are enumerated in their letter.

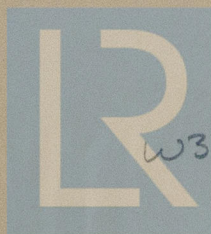

The Builders desire to be informed as to the effect on the existing equipment if two or more of these alterations are carried out.

The case has already been dealt with for Messrs. Palmers Hebburn Co.Ltd., see endorsement of to-day's date.

It is submitted the Builders be informed that if items 1 to 3 or 1 and 3 are carried out, an additional 30 fathoms of 2.12/16" cable should be supplied. If items 1,2,3,5 & 6 are carried out, then an additional 45 fathoms of 2.12/16" cable should be supplied.
