3rd November, 1934.

Dear Sir,

M.

I am in receipt of your letter of the 1st instant enclosing a sketch shewing proposed alterations to the T.S.S. "ALMEDA STAR" for which Messrs. Harland & Wolff, Ltd., are quoting, and the contents have been duly noted.

In reply I have to state that if all the alterations shewn on the plan are carried out the equipment will require to be increased by supplying an additional 45 fathoms of 2.12/16" cable.

I have wired you to this effect to-day, as requested, as follows :-

"Almedastar if all alterations shewn on plan carried out  
"equipment increased by additional fortyfive fathoms two  
"twelvesixteenths cable".

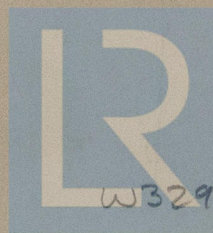

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
