

Lloyd's Register of Shipping,

95, Bothwell Street,

Glasgow, 7th March, 1941.

C.2.

Dear Sir,

In reply to your letter of the 1st instant in regard to Greenock Report No. 21292 on the Steamer "EMPIRE STREAM", I beg to acquaint you that the Surveyor states that the requirements of Section 32, Clause 1 (B), of the Rules have been complied with.

The Greenock Surveyors inform me that the approved plan of Sternframe & Rudder has been mislaid, but they have arranged with the Shipbuilders for an additional copy to be supplied and this will be forwarded in due course.

In the meantime they will be glad if the approved plans can be returned as soon as possible, as there are three sister vessels in course of construction.

I am, Dear Sir,
Yours faithfully,

The Secretary,
WOKINGHAM.

Secretary to the
Glasgow Committee.
