Dear Sir,

With reference to Greenock First Entry Report No.21292 on the steamer "EMPIRE STREAM", I may say it is concluded the requirements of Section 32, Clause 1(B) have been complied with, but I shall be obliged if you will kindly enquire of the Surveyors and let me know whether this is so.

As this appears to be the first vessel of the "T" type it will be appreciated if you will kindly forward copies of the approved plan of stern frame and rudder to this office.

I would take this opportunity to acknowledge the receipt of your letter of the 22nd ultimo, which is receiving the necessary attention.

I am, Dear Sir,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
