Reneby Inglis
Surveyor to Lloyd's Register of Shipping.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

“While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society.”

Lloyd's Register of Shipping.

Part

PROGRESS REPORT.

This is to certify that the state of progress

of work on the part of the Committee of the undesignated vessels on the

above title is as follows:—

Year ending 31st December 1919.

The Committee have had the pleasure of receiving from the

various members of the Society reports on the progress of their

work during the year, and have had the opportunity of discussing

the same at their meetings, and have been glad to note the

interest and energy which have been manifested by all the

members of the Society in their work.

The Committee have also had the pleasure of receiving from the

various members of the Society reports on the progress of their

work during the year, and have had the opportunity of discussing

the same at their meetings, and have been glad to note the

interest and energy which have been manifested by all the

members of the Society in their work.

The Committee have also had the pleasure of receiving from the

various members of the Society reports on the progress of their

work during the year, and have had the opportunity of discussing

the same at their meetings, and have been glad to note the

interest and energy which have been manifested by all the
