

German Motor Vessel "FRITZ".

This vessel was handed over to the British Government
ember last, and as First Entry Reports had been received
Hamburg of survey held during construction from 1910 to 1914,
s decided by the Ministry that the Special Survey No.1
l be held in conjunction with the usual Condition Survey so
entitle the vessel to have her class recorded in the Register

The usual Condition Survey Reports have now been
red from the Leith Surveyors, and in the ordinary way, fees
5.--. for the Hull Survey and £15.--. for the Machinery Survey
be charged, for the Condition Survey alone.
