rs,

With reference to the ex-German Motor Ship "FRITZ", now
port for delivery to the Allied Governments, I have to
t you that this vessel was built in 1914 under the Special
of the Society's Surveyors at Hamburg, and that the
location has not been completed, as the First Entry Reports
forwarded. These have now come to hand, and are
herewith.

The Ministry of Shipping desire that in connexion with
al survey for condition required of ex German Vessels,
nity should be taken to carry out such survey of the
as may be necessary for the purpose of obtaining the
s classification.

The vessel will be placed in drydock if requisite.

In the circumstances, I have to say that in view of the
having been laid up during the whole course of the War, it
sidered that she should be submitted for Special Survey
regards hull and machinery, and it is accordingly desired
a will get into touch with Captain Tait, the Representative
Ministry of Shipping, and take the necessary steps in the

Yours faithfully,

Surveyors,
LEITH.
