POSTPONED SURVEYS.

Case of the *Del. Reg. Motorship "ATHELBEACH"*

No. 74172 in Reg. No. 2517 3197 tons. Built 1921-1922

Your Ref: JFT/VVC. 20th December, 1940.

Dear Sirs,

Reverting to your letter of the 25th ultimo relative to the survey of the Donkey Boilers of the motorship "ATHELBEACH", I beg to acquaint you that I am now informed by the Society's Surveyors at Hull that it has not been possible for the inspection to be dealt with at their port, and that it is now your intention to deal with the survey on the vessel's next return to the United Kingdom.

The case has been placed before the Committee at their meeting today, and in the circumstances they will not object to the inspection in question being postponed as desired.

I am, Dear Sirs,

Yours faithfully,

Copy to Hull.

Clerk to the  
Classification Committee.
