Dear Sir,

With reference to Liverpool First Entry Report No.98396 on the steamer "ATHELBEACH", I shall be glad if you will ascertain from the Surveyor and let me know whether the spacing of the rivets in the treble-riveted butts of the shell side plating, and the size of the after peak bulkhead stiffeners are as approved, as is concluded is the case.

I shall also be glad if you will furnish the length and capacity of the deep tank forward and the total length and capacity of the double bottom tanks aft.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

The Secretary,

LIVERPOOL.
