GREENOCK.

29th June, 1932.

Dear Sir,

I beg to enclose letter received from Messrs. Wm. Hamilton & Co. relative to our fees for the alterations recently carried out on the T.S.S. "AVELONA STAR".

The statement in their letter regarding the additional fee of £10. 10. - for machinery alterations is correct as it was not anticipated when the sum of £110 was given as our fees for the Hull alterations.

Sir James Lithgow discussed the matter with me to-day and as he is of the opinion that the charges under the present circumstances are to the high side, I propose with the approval of the Committee, to reduce the account for the Hull alterations to £100.

I am, Dear Sir,

Yours faithfully,

The Secretary,

(Sgd.)

A.P.W. McNAB.

GLASGOW.
