BLUE STAR LINE LTD.

40, St. Mary Axe,  
LONDON, E.C.3.

4th December, 1931.

Messrs. A. Goodwin-Hamilton & Adamson, Ltd.,  
Cunard Building,  
LIVERPOOL.

Dear Sirs,

"AVELONA STAR".

Referring to your letter of Nov. 26th,  
and to the cargo to be carried above the original Upper  
Deck, we will undertake that its density will not exceed  
100 cubic feet per ton.

This information, we understand, you require  
for Lloyd's Register of Shipping, and is on the same  
lines as the letters given by us during the construction  
of the vessels.

Yours faithfully,  
For BLUE STAR LINE, LTD.,

(Sgd.) E.A. Thomson,  
Senior Superintendent.
