26th October 1936.

Dear Mr. Minchin,

With reference to the correspondence which has passed between us regarding the Ruston & Hornsby Engines, I have to say we have now received a letter from the Newcastle Surveyors in which they state that the actual allocation of these engines is as follows:-

<u>Grimsby Rpt.No.</u>	<u>Ruston & Hornsby's Engine No.</u>	<u>Allocated to</u>
19687	177574	m.s. "ARINIA"
19693	178296	Harland & Wolff's 981G.
19694	178297	Swan Hunter's 1519.

In the circumstances I am having copies of the last two reports made here and forwarded on to Grimsby for signature, in order that they may be afterwards sent on to the Belfast and Newcastle Surveyors for attaching to their First Entry Reports. So, if you will do what is necessary at your end, this will now put this matter in order.

With kind regards,

Yours sincerely,

W.G. Minchin, Esq.,
GREENOCK.
