6th October, 1936.

Dear Mr. Minchin,

I have your letter of the 5th instant respecting Grimsby Report No.19694 on Ruston & Hornsby's Engine No. 178297, and am pleased to say that, so far as you are concerned, the matter is cleared up, because, as you presume, this report is attached to your First Entry Report on the motor tanker "ARINIA" (Grk.20189).

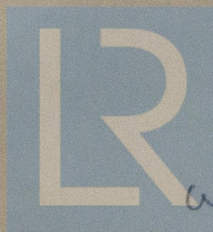

Apparently the Newcastle Surveyors are under a misapprehension regarding the Engine intended for one of Swan Hunter's ships, and I am taking the matter up with them.

With kindest regards,

Yours sincerely,

W.G. Minchin, Esq.,

GREENOCK.
