6th October 1936.

Dear Mr. Davies,

Following upon your request to the Grimsby
Surveyors for their report on Ruston/Hornsby's Engine
No.178297 (Gms. report 19694), they referred the matter
to this Office, as they were under the impression that
this engine had been constructed for one of J. & C.
Kincaid's ships.

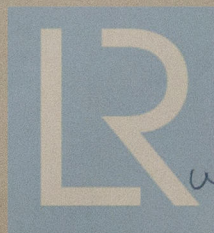

As a matter of fact the engine in question has
been fitted in the motor tanker "ARINIA" (Kincaid's
Yard No.880), and I am sending you officially the Greenock
First Entry Report on this case in order that it may help
you to unravel the mystery.

With kindest regards,

Yours sincerely,

S.R. Davies, Esq.,

NEWCASTLE-ON-TYNE.
