My Dear Mac,

We must apologise for worrying you again about the Deferred Reports on the steamer "AS 382" which were returned officially to-day. Unfortunately they got out of the factory in the London office, but were found late last night, just after we had sent you another wire.

Dr. Barker, whom you will remember as a member of the Council of the Admiralty, is acting as Owners' Special Agent in this case, and is coming up to see me. He is also my uncle at Ulverston, and I will probably see him. I have asked him to come much with you, and I have with a view to see you on a trip to York, etc. He is an awfully nice chap, and I know you will enjoy having a chat with him.

With kindest regards,
Yours sincerely,

J. McMillan, Esq.,
