Dear Sirs,

s.s. "ASPASIA"

We are in receipt of your favour of the 16th inst. regarding the general examination required by the Committee for the postponement of the completion of the 2nd Special Survey No.3, and we now beg to advise you that the vessel has been fixed with the British Government on Time Charter for about three months, and she is expected to arrive at a U.K. Port within ten days, and under the circumstances therefore on instructions we have received from the Owner, arrangements will be made, if possible, for this Survey to be attended to on vessel's arrival at U.K. otherwise arrangements will be made for the vessel to be generally examined for postponement of the 2nd Special Survey No.3.

With regard to the concluding paragraph of your letter regarding the renewal of two Stoppered Tubes in the Port Boiler, up to the time of writing we have not received Owners instructions to this effect, and should, by the time the vessel arrives at U.K., we have not received Owners instructions, then we will communicate with them telegraphically and we will advise you in due course.

Yours faithfully,
FOR JOHN LIVANOS & SONS LTD.

Director.
