Wokingham, Berks.

16th July, 1940.

Dear Sirs,

With reference to my letter of the 21st ultimo respecting the Steamer "ASPASIA", I shall be obliged if you will kindly let me know whether you are yet in a position to state at what port the General Examination required by the Committee for the postponement of the completion of the 2nd Special Survey No.3, will be carried out.

At the same time perhaps you will also let me know what arrangements are proposed to be made for the two stoppered tubes in the port boiler to be renewed, as recommended in February last by the Society's Surveyors at Hull.

I am, Dear Sirs,  
Yours faithfully,

pro Secretary.
