remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

of Survey

It is submitted that before this case receives consideration the Surveyors should be requested to state whether the upper deck hatch side girders of the main & aftermain hatchways have been fitted in accordance with the Secretaries letter of the 20<sup>th</sup> Sept last as this is not clear in view of the photo print of hatch side girders forwarded with their report.
