Dear Sirs,

s.s. "Rowanpark".

With further reference to the recent correspondence which we have had regarding Boiler Certificates for this Vessel, we are pleased to state that we have now men on board making good alleged leaks. The Owners have requested us to communicate with you on this subject so that your Surveyor can make an inspection of the work when it is completed, with a view to issuing the Certificate as originally required. The Vessel is lying at Greenock where the work is being done.

Yours faithfully,

FOR COOPER & CO. LTD.
